

Hardware Wars is an 11 minute short film spoofing Star Wars in the form of a "coming attraction" trailer. The Chewbacca equivalent is "Chewchilla the Wookiee Monster," a brown googly-eyed hand puppet and Cookie Monster look-alike. The Wookiee Monster mostly growls, pantomimes, rolls his googly eyes, and in one scene, hungrily gnaws on the coiled sticky buns adorning Princess Anne-Droid's hair.
